IN THE OIL FIELDS.

Sistersville, W. Va., May 4.—Galley
& Co.'s No. 4 on the Calebough farm,
on the opposite side of the river, is
making a good show for a producer,
and is expected in today.

Operations have been suspended at
Griffin No. 2, out at Wick, on account
of the boiler giving trouble.

The North Penn Oil and Gas Com-
pany received a boiler today which
they will place on their tract at Glen-
dale.

G. T. Bunnell and S. W. Lawrence
were in St. Mary's today looking after
their production. Lawrence & Work's
well is about the same as last reported.
Mr. Bunnell says his well is on the in-
crease and is now flowing 30 barrels a
day.

The Victor Oil Company's well No. 2,
on the Julia Groves farm, on Indian
creek, which was reported as good for
15 barrels, has increased and is now
flowing 20 barrels a day. This increase
has stimulated developments in that
territory wonderfully.

Their well No. 3 came in today and
is spraying some oil, but cannot tell
yet what it will do.

Nos. 7 and 8, belonging to the Devoni-
an Oil Company, are now on top of the
sand and will be drilled in tonight or
to-morrow.

Shay & McMullen also have a well
on the Dan Weekley farm which is ex-
pected in at any time.

The Carter Oil Company's well on the
Booher farm, out on Sanebo, has made
about 20 feet since last reported. Their
Freeland well will make a 25 barrel
pumper.

Kyle No. 3 is expected in today or
to-night. This well proved a big gas-
ser but the flow has decreased and they
will drill it in at once. It belongs to
the Devonian Oil Company.

Another good producer is the result
of the drilling of the Johnston, Dorsey
& Armstrong well, in the Rogerson
field, Sunday night. With one bit in
the sand the well commenced flowing,
and work had to be stopped until the
necessary tankage can be erected, when
the drill will be sent still deeper. Dur-
ing all day yesterday the well contin-
ued to flow on an average once an
hour, and is thought by all experienced
oil men to be far better than the first
well drilled in. The well is located
about 400 feet northeast of No. 1, on
the Otto farm, which indicates that
the pool lies in a northeast and
southwest direction. During yester-
day the well was visited by a large
number of people, including a great
many experienced oil men, who were
attracted to the scene of operations by
the first report sent out. There is not
the least doubt now but that the field
will be developed into good territory.
As soon as the necessary tankage can
be erected the drill will be sent still
deeper into the rock. There is a strong
flow of gas in this well, which was not
so noticeable in the first well, so much
so as to cause it to flow at intervals.
Nearly all the territory in the neigh-
borhood has already been leased.

The operators on the exchanges, or
those who manipulate the quotations,
were apparently of the opinion that the
advance in refined made last week
would be speedily followed by another,
but as a second advance did not ma-
terialize they marked down the specu-
lative figures, and on Tuesday a drop
of 3 1/4 cts. was recorded. Since then the
variations have been slight, though it
was added the following day. The
only features of interest are to be found
in the producing fields, but even
these have presented nothing of a
startling character.

The number of new wells being com-
pleted is still very large, and quite a
number are well above the average
capacity, but no phenomenal producers
have been found, and the large runs
are due to the ever increasing number
of producing wells. The runs have
kept up remarkably large, while the
deliveries have been smaller, and the
difference has consequently expended.
Taking the daily pipe line reports as
fairly indicating a basis for estimate,
the increase in stocks during the past
month greatly exceeded that during
the month of March, and the monthly
pipe line report is expected to make a
very bearish exhibit. It is probably
needless to state that trading on the
exchanges has shown no improvement
and is reduced to an occasional sale
only.

COUNCIL PROCEEDINGS

An interesting Meeting and a Goodly
Grist of Business.

At the regular meeting of Council
Tuesday evening eleven members an-
swered to roll call.

Building permits were granted to F.
L. Alexander, two buildings, Third
street; Elizabeth McCoy, White's Road;
E. F. Hill, Seammel street; Frank
Lasure, Foundry alley, between Greene
and Butler.

A petition asking for an electric light
on Prospect street was read by the
Clerk. Mr. Ridge moved to grant the
prayer of the petition, afterward
changing his motion to refer the mat-
ter to the Light committee, in which
form it was adopted.

Hon. A. D. Follett, on behalf of the
Park Commissioners, reported that the
model had been made for the new band
stand in Muskingum Park and that the
old stand would be removed to Camp
Tupper. He also reported satisfactory
progress in raising by subscription the
\$350 necessary for the proposed free
park concerts.

In the matter of drinking fountains
in the Park, brought up at the last
meeting, Mr. Follett stated that the
Marietta Plumbing Company offered to
put the fountains in at original cost.
He suggested that one fountain only
be put in, with a cooling tank, and
that the Park committee be author-
ized to take such action. He asked for
two are lights to be placed in Mus-
kingum Park, to be used on nights of
free concerts. The matters called up
by Mr. Follett were referred to the
Light committee, with Messrs. Bach-
man, Ridge and Wood.

Mayor Meisenholder asked that an
appropriation be made for placing a
flag pole and flag on the City Hall,
which request was referred to the
Building committee. The matter of
widening Mulberry Alley was again
called up by Mr. Bachman and referred
to the Street committee, Engineer and
Solicitor for report at the next meet-
ing.

Mr. Ridge, for the Bridge committee,
reported having met the officials of the
B. & O. S. W. railway in regard to the
filling of bridge approaches, sidewalks,
etc., and that they agreed to adjust the
matters complained of without delay.
Upon motion Council determined, to
meet in Committee of the Whole at 1
p. m. Wednesday to inspect approaches
to the railroad bridge and locate the
brick sidewalk permanently.

The matter of changing the plat of
Knox's subdivision was referred to the
Solicitor.

Mr. Ridge brought before Council the
desire of Greene street residents for a
brick sidewalk on that street between
Fourth and Seventh, and moved that
the earth now being graded from
Greene street be used to make the fill
necessary for the sidewalk in question.
The Solicitor gave an opinion that
property owners must do the filling for
sidewalks at their own expense. Mr.
Ridge's motion failed of being seconded
and Council will inspect the prem-
ises before taking action.

The River Gas Co. was refused per-
mission to tap the city sub-sewer for
purposes of draining the regulator pit
at the corner of Third and Greene
streets, but were authorized to provide
for the disposing of the water by well
or other means, under supervision of
the Engineer.

A resolution to lay additional sewers
in the Second Sewer District according
to plans of Engineer, completing that
District, was adopted and the Engineer
instructed to make necessary estimates.

The "necessity" resolution for the
improvement of Fourth street from
Ohio to Montgomery street was sub-
mitted by the Solicitor and adopted.

An ordinance to punish persons jump-
ing on and off moving trains was sub-
mitted by the Mayor and, upon suspen-
sion of the rules, was passed to its
second and third readings and adopted.

An ordinance to suppress gambling
of all kinds by imposing heavy penal-
ties was also submitted by Mayor Mei-
senholder and read by the Clerk. Wood
and Bachman rose to state that they
thought the present ordinance covered
the same ground. City Solicitor Rich-
ards stated that the existing ordinance
was not so specific as the one submitted
and only provided for the prosecution
of gamblers in general terms. Price
moved to pass the ordinance to its
second reading under suspension of the
rules, which motion carried, Bachman,
Wood and Garrison voting no. Upon
motion the ordinance was passed to the
third reading in the same manner and
adopted, Wm. Ridge changing his vote
to no and Garrison to yes on the final
vote. It appeared, however, that the
vote of eight for suspension of the
rules was not sufficient, the statutes
requiring a three-fourths vote of all
members elected, which would be nine
and the ordinance will come up for its
second reading at the next meeting.

A bill from the Zanesville Workhouse
for \$30 for taking care of Marietta
prisoners, one of many that have been
presented, called Mr. Moore to his feet
with the statement that the Zanesville
concern is an expensive luxury and that
the city should make provisions for
working its prisoners itself. He cited
the bad condition of various roads and
thought that the city prisoners should
be put to work cracking stone for road
improvement.

The city Clerk was instructed to ad-
vertise for bids for Third street paving,
by legal publication in the newspapers
of the city.

Superintendent Hancock reports rents

for City Hall for April collected to
the amount of \$125.00, a balance of
\$88.50 remaining still unpaid.

The Mayor's report for April showed
fines and costs collected \$53.35; paid to
city, \$87.75. Licenses collected, \$6.00.

The plat of Hills Subdivision was
presented to Council for approval and
referred to the Street Committee and
Engineer for report.

After allowing the usual number of
bills Council adjourned.

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
facturer's Agent, Columbus, Ohio, cer-
tifies that Dr. King's New Discovery
has no equal as a Cough remedy. J.
D. Brown, Prop. St. James Hotel, Ft.
Wayne, Ind., testifies that he was cured
of a Cough of two years standing,
caused by La Grippe, by Dr. King's
New Discovery. B. F. Merrill, Bald-
winsville, Mass., says that he has used
and recommended it and never knew it
to fail and would rather have it than
any doctor, because it always cures.
Mrs. Hemming, 323 E. 25th St., Chic-
go, always keeps it at hand and has no

Hildebrand-Petrie.

The marriage of Mr. Charles Hilde-
brand and Miss Mabel Petrie, both of
this city, occurred last evening. The
family and a number of friends were
present. After the ceremony a splen-
did supper was served. Rev. F. R.
Crooks was the officiating minister.

Mr. Hildebrand is in the Adams Ex-
press Company employ, an excellent
young man. The young couple will re-
side in this city. The best wishes of
their friends remain with them.

Foul Play Suspected.

Sistersville, W. Va., May 4.—Today
a careful examination of the wounds
of Thad Connolly, who was supposed
to have been struck by a train, gives
reason for the belief that he was struck
with an ax or some other sharp weap-
on. Connolly is still unconscious, and
can tell nothing about it.

Marriage Licenses.

Adam Gedle and Carrie Suder, both
of Marietta.

Charles Hildebrand and Mabel
Petrie, both of Marietta.

Carroll H. Yount and Lucy A. John-
son, both of Adams township.
